

## Kalamazoo Art League DepARTure to Chicago December 4, 2019

- Visit the Chicago Art Institute’s spectacular Neapolitan Creche, which is one of the finest examples of such a work outside of Naples. The creche features over 200 figures – including no less than 50 animals and 41 items of food and drink – all staged in a spectacular Baroque cabinet with a painted backdrop. Elaborate, complex and wondrous, the Neapolitan creche is a rare example of the genre and a once in a lifetime acquisition for the Art Institute.
- Lunch at the Terzo Piano Restaurant on the top floor of the new Contemporary Wing
- Tour the Andy Warhol Exhibit.
- On our way home, stop for an hour or so at the German Christmas Market on the way home for an hour. (enough time for a stroll and Gluwein!) Inspired by the Christkindlesmarkt in Nuremberg, Germany, which began in 1545, the Christkindlmarket Chicago brings a cherished German and European tradition with international flair and local charm.
