Greetings Art League Friends!

We hope you and your families are safe and well during these unprecedented times. We have been thinking of you and missed seeing you as the end of our 2019-2020 season came to a close. The days when we will meet again face-to-face at the beautiful Kalamazoo Institute of Arts will be a time for celebration.

### **EXCITING NEWS!**

The Art League Board and committees are meeting regularly working to offer online opportunities for the upcoming season to make sure we all stay safe! Several of the speakers for the 2020-2021 season have agreed to provide an online presentation specially for our members through our website or with a link you will receive via email. Although this will be a different experience for all of us, we hope you will try it out and join us!

### **EXTENDED MEMBERSHIP**

In light of these changes, we wish to extend your current membership through 2020-2021. There will be no dues expected for the 2020-2021 season; however, donations are always welcome as we are offering a stipend to our virtual lecturers! If you have already paid these dues, please contact our treasurer (contact information below) to discuss your options. There is a link for donations on our website or you can use the address below to send a check, as currently we cannot access our Art League mail at the KIA.

### **CHECK OUR WEBSITE!**

We continue to explore more ways to help you stay connected with Art League and have been updating the website on a regular basis, so, please check us out!

By now, you should have received a phone call, voicemail or email message from an Art League Board member. We are so pleased to be able to touch base with you. Please feel free to contact any of us with your questions, suggestions or concerns! In the meantime – stay safe!

Warmly,

Karen Matson, President
